

# CAPITAL MARKET DIVISION

## RESPONSIBLE FOR REGULATORY COMPLIANCE

### What do we do?

We act as *Responsible for the Regulatory Compliance Function* or *advice*. By applying our knowledge, we assure our clients comply with the current regulations. Our approach reduces compliance risks of the agents' business, generating a series of additional benefits with an impact on business areas subject to the regulations.

### Why Brea Solans & Asociados?

We have over two decades of experience providing professional services with high value added for the Capital Market sector. Our track record, reliability and team consisting of highly qualified and constantly updated specialists positions us as the strategic partner your company requires to meet the needs and complexity of the financial sector demand.
